

Profile of a Borger ISD Learner

Effective Communicator

Students will master the basic skills of reading, writing, listening, speaking, and nonverbal communication, critical to daily life in a complex society. They will be able to relate to others in an articulate, effective, and efficient manner.

Problem Solver

Students will utilize analytical and critical thinking skills in order to make decisions rationally, to manage problems and approach challenges systematically. They will interpret and process information, assess the current situation, evaluate potential outcomes, and successfully solve problems.

Self-Motivated Worker

Students will set priorities, create options, and develop plans of action as well as monitor and evaluate their progress. They will display high standards of effort and the habits of a strong work ethic.

Proficient Technology User

Students will use technology as a tool to research, develop, and complete goals and objectives. They will demonstrate knowledge of digital citizenship, social media awareness, computers, essential software applications, and the effective use of technology.

Goal Achiever

Students will understand the sacrifice and commitment to high expectations necessary to achieve goals. They will demonstrate the ability to maintain effort, mental focus, and confidence as well as the capacity to cope with adversity necessary to successfully overcome obstacles. They will have the skills and knowledge to achieve personal, family, professional, and financial goals.

Cooperative Team Member

Students will use effective leadership and group skills to develop supportive and cooperative interpersonal relationships with others in order to achieve group objectives. They will respect and understand the contributions of diverse cultures.

Global Thinker

Students will have basic knowledge of politics, world issues, foreign affairs, and geography. They will be aware of current events and be able to analyze and make informed decisions on issues affecting the national and international scenes.

Risk Taker with Entrepreneurial Spirit

Students will be able to think critically, analyze situations, gain insight, and take calculated risks to achieve goals and objectives. They will be able to survey the marketplace to find economic opportunities and have the confidence to think and act independently.

Contributing Citizen

Students will contribute energy, time, and talent to improve the welfare of themselves and others. They will display a sense of social responsibility and participate in the democratic process. They will exhibit honesty and integrity, choose ethical courses of action, and take personal responsibility for their actions.
